<b>MATERIAL DESTINATION:</b>	Oak Ridge Waste Management Landfill Logansport, Indiana
<b>ROUNDRIP TO LANDFILL:</b>	1hour 45 minutes

## EXPLANATION OF SERVICES:

Apex provided hauling for specialized waste which required special measures for disposal. Our trucks hauled 15 to 20 loads per day to the landfill. Drivers loaded and unloaded these containers in a high traffic area at the facility. Apex maintained a perfect safety record and provided on-time service for this demanding account.
