Marion, IN 46952
CELL PHONE: (765) 618-1013

CONTAINERS ONSITE: FOURTEEN "30 YD Open Top Roll-Offs"

AVERAGE # PULLS PER DAY: 15-20 Containers per Day

MATERIAL HAULED: Demolition Debris

CONTRACT LENGTH: 2007 to Present

MATERIAL DESTINATION: Oak Ridge Waste Management Landfill
Logansport, Indiana

ROUNDTRIP TO LANDFILL: 2.5 hours

EXPLANATION OF SERVICES:

Apex has hauled over 200 dilapidated structures for the City of Marion's demolition crew. We were called in when other vendors were unable to meet the volume requirements set forth by the City. By developing a waste removal plan we were able to save the city time and money for their demolition work.
