CONTRACT LENGTH:	3 Years of Annual Renewals

EXPLANATION OF SERVICES:

Apex provides Roll-Off Containers to the County for their household clean up initiative twice a year. We have been servicing Miami County for more than three years. The County requires a large number of containers in a short period of time. Residents are allowed to dispose of their waste at no charge. They do this by dumping at designated locations where Apex containers have been placed. This project has produced up to thirty loads per day.
